

academia Group Switzerland AG was founded in 2005 as a regional language school for companies and individuals. Fourteen years later, academia presents itself as one of the largest providers of educational services in Switzerland - with currently more than 1,000 employees at over 40 locations. Today academia is divided into the divisions academia language school, academia International School, academia learning, academia matura, academia Integration, Akzent Sprachreisen and the crèche small foot. With our academia matura programme we prepare young students for the International or Swiss Matura, the Federal Professional Matura and the supplementary Passarelle.
